

Innovation Forum

November 29th, 2018

Klinikum rechts der Isar | Hörsaal B | Ismaninger Str. 22, 81675 München

Distinguished Digital Healthcare enthusiasts and experts,

Digital Healthcare is growing in importance and presence. Munich has developed into one of Germany's leading healthcare innovation hubs.

Successful innovation consists of a solid knowledge base, highly motivated people as well as sufficient access to investments and access to the market space. For the second consecutive year, it is our pleasure to provide promising teams an opportunity to pitch their ventures and to enable a multifaceted discussion between experts in the field.

We look forward to welcoming you to the innovation forum as an initiation for two inspiring and highly insightful days,

Dr. Dominik Böhler

Dr. Jörg Traub

PD Dr. med. Dominik Pförringer
